

WE THANK YOU FOR YOUR SCHOOL'S SUPPORT!

We are excited you are interested in empowering your students to feel like they too, can make a difference. Often, kids would like to help, but they don't know how. The "Kids To The Rescue" Fund is designed to make it simple for all children to have the opportunity to feel like they can help make a difference in the lives of children less fortunate than themselves.

We want to challenge each child to earn and donate \$1.00 from their own savings (e.g. their allowance, piggy bank, etc.), but any amount or donations from parents are appreciated.

To implement this program in your school, simply do the following:

1. Print and distribute one copy of the **Dear Parents** letter from this kit to each student.
2. Establish a collection period for the donation of funds.
3. Upon completion of the collection period, print one copy of the **RAPID RESCUE RESPONSE SCHOOL DONATIONS** form, complete the form, and mail it with a single check made payable to "Kids To The Rescue" for the total amount collected.

There are two optional forms available for your use: a **THOUGHTS AND KIND WISHES** form and a **RAPID RESCUE RESPONSE** form. The first can be used by all to send a note to the affected kids (some will be posted on the NEWS link of the website for all to enjoy), the second can be distributed to every involved child allowing them the joy of completing their own form to accompany their donation. These completed forms, if mailed with your single total donation, would enable each child to receive a personal note of thanks for their contribution.

Thank you for believing in the power of children.

Sincerely,
Kids To The Rescue

A LETTER TO PARENTS

Dear Parents,

We are excited to announce that our school has accepted the challenge of a very special organization, "Kids To The Rescue." KTTR, in partnership with The Salvation Army, endeavors to teach kids the gift of giving by helping kids who are less fortunate or who have suffered devastating loss. Simply put, it is a project conceived, designed, and implemented "for kids by kids."

The goal of the fund established for this disaster is to challenge all 55 million* K-12 students in America to find a way to earn and donate just \$1.00 to reach the goal of \$55 million. However, a donation of any amount, large or small, will be greatly appreciated.

Please know that 100% of every dollar received goes directly to help kids who need our help the most. No fees of any type are assessed for processing. Please make checks payable to our school so that we can process the donation for distribution to "Kids To The Rescue" via a single donation.

If you'd like additional information about this worthwhile endeavor, please visit their website at www.kidstotherescue.org.

Thank you in advance for your and your child's generosity.

Sincerely,

Kids To The Rescue
